

**IN THE UNITED STATES DISTRICT COURT FOR  
THE NORTHERN DISTRICT OF GEORGIA  
ATLANTA DIVISION**

COBB COUNTY, GEORGIA,

Plaintiff,

v.

TYLER TECHNOLOGIES, INC.,

Defendant.

Case No. 1:24-cv-00045-LMM

**SECOND JOINT MOTION FOR  
EXTENSION OF CASE MANAGEMENT DEADLINES**

The parties jointly request a 90-day extension of the discovery deadline and associated case management deadlines to allow them time to conduct a mediation under the Northern District's ADR program and, if that mediation is unsuccessful, to complete discovery. As grounds, the parties represent:

The current case management deadlines are: (1) the discovery deadline is October 30, 2024; (2) the dispositive motions deadline is December 2, 2024; (3) the deadline to file *Daubert* motions is December 2, 2024; and (4) the deadline to file a consolidated pretrial order is December 2, 2024, or 30 days after the resolution of any pending motions for summary judgment, whichever is later.

This is the second request for an extension.

The parties have exchanged written discovery, produced documents, and are in the process of scheduling depositions. This request is justified because the parties require additional time to complete a mutually agreed mediation, schedule and take depositions, and continue to work in good faith to resolve outstanding discovery disputes.

All parties consent to the requested relief.

A proposed order is attached to this motion as Exhibit 1.

Respectfully submitted, this 27th day of September, 2024.
